

**EFFECTIVE**

October 1, 2011.

**SUBJECTS**

1. JR3 311, Initial Health Evaluation and Immunization.
2. JR5 560, Sexual Abuse Prevention and Response Overview.

**1) JR3 311****INITIAL HEALTH EVALUATION AND IMMUNIZATION**

Policy revised to repair broken hyperlinks to immunization schedules published by the American Academy of Pediatrics. Text regarding Human Papilloma virus vaccination deleted based on change to the immunization schedule which now indicates that the vaccination may be provided to both females and males.

*Reason:* Repair of hyperlinks and change in immunization schedule.

*Communication Plan:* PowerPoint presentation.

**2) JR5 560****SEXUAL ABUSE PREVENTION AND RESPONSE OVERVIEW**

New overview policy developed to implement proposed US Department of Justice rules regarding the Prison Rape Elimination Act.

*Reason:* Implement new policy.

*Communication Plan:* PowerPoint presentation.
